Ribbon Means CHOICE ...

You have the choice of albums,

They have the choice of gifts.

Surprise special people with one of **21** different *Ribbon* Gift Collections (over 800 individual gifts) by surprising yourself with how easy it is to choose, and give, ... **the perfect gift.** (See price list on back.)

Remarkably Easy For You ... Unusually Memorable For Them!

Your choice: What category of album do you want to give and how much you want to spend? Shall the album sent to you or to the recipient? Note: choose the elegant "ensemble," not the ordinary gift card.

Their choice: They visit www.ordermygift.com and choose a top-quality, name-brand gift from among 30 or 40 different items. The selected gift is delivered to their front door in two to 10 business days.

Your satisfaction is guaranteed. ++++++ Their satisfaction is guaranteed.

It's really that easy!

See web site, or call Tom, for specific details.
